## Unique Parent Logins, One Household Account

Once the Primary Account is set up, the Primary User can "invite" other email addresses to access his/her account. This allows the Secondary User to have their own login information, but still have access to the family account.

Access the AtoZ Connect  
Directory Using the  
Membership Toolkit  
Mobile App

## Download the Membership Toolkit App to Access the Directory on the Go!

Once you have created and verified your family's account on our new AtoZ Connect site, download the free Membership Toolkit mobile app. There, you will be able to access all the features from the website. (*The old AtoZ app will be retiring.*)

Move between schools within the app by tapping on the menu icon in the upper left hand corner of the landing page. Tap the "switch" icon at the top to see your list of options. (You need an AtoZ Connect account created and verified at each school for them to appear in this list.)

## Sponsors

The WAMS PTO would like to thank Community in Crisis for sponsoring our activities this year. Please click on their logo for more information about their programs. We plan to offer some of their programs during the year.
